MEMORANDUM FOR: Director of Logistics

SUBJECT: Task Order Contract 906

25X1A

1. The Deputy Director (Research) desires to establish a work order with [REDACTED] in the amount of \$5,000. The work order is to be tasked under Contract 906 and will be used to reimburse the firm for theoretical and research studies relating to electronic collection and analysis systems; for the payment of consultant fees; for travel performed on Agency behalf; and for such other projects as may be prescribed by the project engineer. Reports developed under this task order will be classified SECRET and Agency association with this contract is to be classified SECRET. This task order is designed to provide a quick reaction capability for projects of limited scope requiring immediate action.

2. The allotment to be charged for the establishment of this work order is 3160-7200-1000. The project engineer assigning work orders under this task order is [REDACTED] extension 7931.
